Questions and Answers #2

Q1: On the Vendor Quote for RFQ#: NNH16570509-2Q page, there is a space for vendors to enter their pricing information. The matrix asks for pricing for a Quantity of 1, a Unit of Measure of Each, and a Unit Price. Is the blank space supposed to be the cost for an individual license, or the total price for 30 licenses?

Line Item	Description (Supporting or additional documentation may be provided in the "Additional Information" box below or by using the Attach Additional Documents Button.)	Quantity	Unit Of Measure	Unit Price
1	NSN= P/N= Web-based Legislative Tool	1	Each	<input type="text"/>

A1: The unit price is the total fixed price.
